

CSPO Perspectives

The new perspectives installment, "Where Are the Scientists?" by Daniel S. Greenberg, is now available on the CSPO website at <http://www.cspo.org/home/perspectives/>. Daniel is a long-time science reporter in Washington DC and is currently a Guest Scholar at the Brookings Institution.

Please visit our library for previous perspectives at www.cspo.org/ourlibrary/perspectives/.

Postdoctoral Research Associate Position at CSPO

CSPO is looking for a Post-doctoral Research Associate to assist with an NSF-sponsored 5-year joint project with the Center for Science and Technology Policy Research at the University of Colorado. A qualified candidate will have a recent Ph.D. in a related field, which may include but is not limited to political science, sociology, ecology, anthropology, geography, and other environmental sciences. For more information about the position and how to submit an application, please visit <http://www.cspo.org/home/newatcspo/postdoc.htm>.

Graduate Research Assistantship at CSPO

CSPO is pleased to offer a Graduate Research Assistantship in interdisciplinary research on environmental science and public policy. A qualified candidate should be interested in completing an interdisciplinary research project towards an M.S. or Ph.D. on the implication of global environmental change for science policy. For more information about the position and how to submit an application, please visit <http://www.cspo.org/home/newatcspo/gra.htm>.
