

# Science Outside the Lab

*Now in its seventh year, this hands-on and on-location experience is the only program of its kind for graduate students from around the globe.*

**For Science Policy, STS, and HPS Students:** Monday June 4 – Friday 15, 2012

**For Science and Engineering Students:** Monday June 18 – Friday June 29, 2012

## **Program Fees:**

Option 1 (with lodging) - \$3,500

Option 2 (no lodging) - \$2,500

*Program fees include all program activities and materials, some meals, and local transportation in Washington, DC.*

For more information and an application, contact CSPO or visit online:

An intensive 2-week immersion in the policy and culture of our nation's capital, Washington, D.C.

Meet and interact with the people who fund, regulate, shape, critique, publicize and study science –

- congressional staff
- funders
- lobbyists
- regulators
- journalists
- academics
- museum curators
- and more

Consortium for Science, Policy & Outcomes  
at Arizona State University
