

Science Outside the Lab

a policy (dis) orientation
washington, dc
summer 2010

Now in its fifth year, this hands-on and on-location experience is the only program of its kind for science and engineering graduate students from around the globe

session I: May 24-June 4, 2010
session II: June 14-25, 2010

Program fee: \$3,500

In addition to all program activities and materials, fee includes lodging, food, and local transportation in Washington, DC.
